Education/Training/Experience:

- BA/MA in Computer Science or in STEM Majors (Science, Technology, Engineering and Math)
- Minimum of 3 years' experience in Web Development (HTML5, CSS, JS)
- Minimum of 1 year of experience with C/C# or C++
- Experience/Comfort with user interface design (Visual Studio preferred)

Working Conditions:

- General office setting, extensive telephone and desk work at computer terminal
- May be required to lift, carry, bend, reach and stand with parcels up to 25 lbs.
- Will work in a close multidisciplinary team environment

ORGANIZATIONAL OVERVIEW:

Founded by four partner Community Health Centers in 1997, the Alliance of Chicago Community Health Services supports use of HIT to improve quality, efficiency, and access to services in a national network of community Safety Net healthcare organizations. The mission of the Alliance is to share resources and integrate services in order to more efficiently and effectively deliver accessible quality health care to the communities we serve.

ADA Statement: The Americans with Disabilities Act prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, state and local government services, public accommodations, commercial facilities, and transportation. It also mandates the establishment of TDD/telephone relay services.

EEO Statement: AllianceChicago believes that all applicants and employees are entitled to equal employment opportunities and maintains a policy of non-discrimination with respect to religion, color, sex, sexual orientation, national origin, age, veteran status, marital status, physical or mental disability, or any other legally protected class in accordance with applicable law, except where a bona fide occupational qualification exists. AllianceChicago will comply with all phases of employment including, but not limited to, hiring practices, transfers, promotions, benefits, discipline, and discharge.

Disclaimer: The above statements are intended to describe the general nature and level of work being performed by employees assigned to this position. They are not intended to be construed as an exhaustive list of all responsibilities, duties, and skills required of personnel as qualified.
