- Represents the AllianceChicago network in collaborative efforts with academic partners and other local and national stakeholder groups.

Education/Training/Experience:

- Doctor of Medicine, Doctor of Nursing Practice, or Advanced Nursing degree preferred
- Active clinical duties in a health system, preferably a community health center
- Working knowledge of standard desktop computing software packages (word processing, spread sheeting, presentation software, internet browsers, etc.).

Experience/Years:

- Significant involvement in research or Quality Improvement initiatives
- 3-5 years of experience in a clinical setting
- Track record of implementing protocols into practice
- Knowledge of clinical workflows

Working Conditions:

- General office setting, extensive telephone and desk work at computer terminal
- May be required to lift, carry, bend, reach and stand with parcels up to 25 lbs.
- Will work in a close multidisciplinary team environment

The employee signing below acknowledges the anticipated physical requirements and likely environmental conditions associated with this position and finds them acceptable.

NOTE: This job description is not intended to be all-inclusive. Employee may perform other related duties as negotiated to meet the ongoing needs of the organization.

ORGANIZATIONAL OVERVIEW: Founded by four partner Community Health Centers in 1997, AllianceChicago's three core areas of focus are Health Care Collaboration, Health Information Technology, and Health Research & Education. AllianceChicago supports the use of HIT to improve quality, efficiency, and access to services in a national network of community Safety Net health care organizations. The mission of AllianceChicago is to improve personal, community, and public health through innovative collaboration.

ADA Statement: The Americans with Disabilities Act prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, state and local government services, public accommodations, commercial facilities, and transportation. It also mandates the establishment of TDD/telephone relay services.

EEO Statement: AllianceChicago believes that all applicants and employees are entitled to equal employment opportunities and maintains a policy of non-discrimination with respect to religion, color, sex, sexual orientation, national origin, age, veteran status, marital status, physical or mental disability, or any other legally protected class in accordance with applicable law, except where a bona fide occupational qualification exists. AllianceChicago will comply with all phases of employment including, but not limited to, hiring practices, transfers, promotions, benefits, discipline, and discharge.

Disclaimer: The above statements are intended to describe the general nature and level of work being performed by employees assigned to this position. They are not intended to be construed as an exhaustive list of all responsibilities, duties, and skills required of personnel as qualified.

By signing below, it is acknowledged that employee and supervisor have reviewed and discussed the duties outlined in this job description, that performance is evaluated against the duties described and that the essence of the job to be performed is generally outlined herein. Should circumstances arise that either amend, add or delete essential duties to this description, it is incumbent upon the employee to advise the supervisor of these changes and to make note of them for future reviews.
